## UCC officers share prayer for Ukraine

by UCC Leadership | published on Feb 24, 2022

“There are six things that the Lord hates, seven that are an abomination to him: haughty eyes, a lying tongue, and hands that shed innocent blood, a heart that devises wicked plans, feet that make haste to run to evil, a false witness who breathes out lies, and one who sows discord among brothers.”

*Proverbs 6:16-19*

As the attention of the world turns to the ignored cries for peace from the people of Ukraine, we the officers of the United Church of Christ join our prayers with those of churches and people of faith all over the globe that the attack against Ukraine will cease. As a Just Peace Church, the UCC calls for the de-escalation of violence and a return to diplomatic negotiations, the only true way conflict ever ceases. We urge our members to pray throughout the day for peace and protection against the evils of war for the people whose lives and well-being are in danger.

*Holy God,*

*Hear our prayers for all those who will die today because of war in Ukraine and other war-torn countries all over this world. Grant them an end to the suffering of this world and eternal peace that is only found in You.*

*We pray for the people of Ukraine, Russia, and all nations — that war and bloodshed can be avoided and a new, just peace can be forged out of this crisis. We ask God grant wisdom to the leaders of nations, calling them to end provocation on all sides and invest instead in “the things that make for peace” as called for in all our faith traditions (Luke 19:41-2). Amen*

**On** March 3rd The corpus, or body of the crucified Christ, from the Armenian Cathedral in Lviv was removed and hidden in a bunker in case of shelling. Thus began the world's Lenten Journey for this desperate year of 2022.

The photo eerily recalls medieval paintings of the 14th Century "station" where the body of Jesus is taken down from the cross.

Sometimes the divine love of God must hide in a bunker with the suffering and afflicted who are victims of the cruelty of the oppressors who remain on top.

The 14th century was a horrific hundred years of war and deadly plagues. When the pandemic of the

## Easter in Ukraine

black death toll reached staggering numbers, people began to blame the condition on the Jews, the rich, and even the Catholic Church.

How strange it is that in our current time we hear echoes of the same blame directed at the same parties.

Also, along with this suffering long ago, there emerged a strange narrative which promoted belief in witchcraft.

I suggest our modern equivalent is the explosion of conspiracy theories now filling the social media platforms.

My prayer for these days before the Easter miracle is that in our hiding in the dark passages of our lives we may understand the corruption which is happening on the surface. We are under seige by a legion who must be recognized as Christian fascists. They celebrate the rule of Vladimir Putin. They use Christian language. They condemn globalism and the inclusivity of democracy.

The violence in Ukraine is forcing us to have - as we say - a "come to Jesus moment". Can we see Him in the persecuted people in that war torn country? Can we see their brokenness as His fractured body? Can our hearts melt to lovingly take Him into our care? Can we believe that if we do take custody of His broken body, new life will rise again to champion justice- marked by truth and compassion? Can we as a church have the courage to say on Easter morning "He is risen indeed"...and then climb out of our bunker to live the way He calls us to live?

In due time we shall see...

*Grace and Peace to You In the Journey...*

## 4 Thrifting Tips

from [masterclass.com/articles/hot-to-thrift-shop](https://masterclass.com/articles/hot-to-thrift-shop)

1. Sell or donate before you buy. Selling (or donating) a few items that you are no longer using can help you save money for your thrifting and create storage space for your upcoming purchases.

## PANCAKE BREAKFAST

2. Dress appropriately. Many thrift stores don't have fitting rooms, so you might need to wear something you can easily slip secondhand clothing over to try on. Secondhand stores usually don't offer refunds, so you want to make sure your clothing fits before you buy it.

3. Give yourself a clear goal. Thrift shopping should be about finding things you need, not meandering around looking to collect items. Take note of the things you already own, then make a mental list of the things you're looking for. If you need to, take pictures with your smartphone to help you remember what you have and what you want.

4. Avoid impulse buys. Thrift stores may have low prices, but it can start to add up if you buy enough items. Set a budget and leave your cards at home. Taking a cash-only approach will help you stick to your list of needs and help you avoid overspending.

### **Luke 24:1-12**

Mary Magdalene, Joanna, Mary the mother of James, and the other women were very sad. Jesus had been killed on a cross. They wanted to prepare his body, so very early on Sunday morning, the women went to Jesus's tomb. But when the women got there, they found the stone rolled away.

When they went inside of the tomb, they didn't find Jesus's body. Suddenly, two angels appeared. The women were afraid. The angels said, "Why are you looking for Jesus here? He isn't here. He has risen!" The women ran to the disciples and told them what had happened at Jesus's tomb.

The disciples didn't believe the women. Peter ran to the tomb. When he looked inside, all he saw was the linen cloth. He went back home wondering what had happened.
